

DEPARTMENT OF DERMATOLOGY

DERMATOLOGY GRAND ROUNDS
Friday May 22th, 2015 12:30pm-1:30PM
4037 NW 86th Terrace, 4th floor
Gainesville FL, 32606
Conference Room 4112

“Kodachrome Challenge: a collection of rare and common dermatoses”
Kimberly Merkel, M.D.

Objectives:

1. Apply visual diagnostic skills to identify images of a wide variety of cutaneous disorders.
2. Review historical or exam features for the diagnosis of each dermatosis.
3. Describe a few dermatologic conditions that have been reported in the literature, but may be under-appreciated.

Speaker Disclosure:

Dr. Merkel has no affiliations or financial support to disclose. No one else in a position to control the content of this activity has any financial relationships to disclose.

Accreditation

The University Of Florida College Of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit

The University Of Florida College Of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
