## DEPARTMENT OF DERMATOLOGY: DERMATOLOGY GRAND ROUNDS

May 29th 2014 12:30pm-1:30PM

4037 NW 86th Ter, 4th floor

Gainesville FL, 32606

Conference Room 4112

### Dermatology Resident Presentation

### *“Thalidomide: A New Era”*

William “Bill” Steffes, Jr., M.D.

Third Year Resident (PGY4)

#### Objectives:

1. Review historical information and current stigma of thalidomide.
2. Assess adverse effects and report guidelines when using thalidomide.
3. Describe general dermatologic disorders for which thalidomide has been shown to be beneficial.

#### Speaker Disclosure:

Dr. Steffes and Dr. Taylor have no affiliations or financial support to disclose. No one else in a position to control the content of this activity has any financial relationships to disclose.

#### Accreditation

The University Of Florida College Of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### Credit

The University Of Florida College Of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Section #5148

### *“Management of Leg Veins”*

Andrea Taylor, M.D.

First Year Resident (PGY2)

#### Objectives:

1. Review the pathophysiology of varicose and telangiectatic veins.
2. Discuss typical patient concerns about preoperative assessment and postoperative care of leg veins.
3. Analyze different treatment modalities including risks and benefits of treatment.
